

MAN TGS 50.500 10X8 BLH WSA RHINA 24,5 AO KIPPER MET AFDEKKLEPPEN

Características generales

Marca	MAN
Modelo	TGS
Subcategoría	Volquete
Matrícula	32-BNJ-7
Lectura del contador	356.535km
Año de construcción	2019
Fecha de primera inscripción	16-05-2019
Color	Azul
Condición	Usado
Estado general	Muy bien
Combustible	Diesel
Clase de emisiones	Euro 6
Referencia	1790784

Propiedades

Peso individual	19.600kg
Capacidad de carga	30.400kg
Peso bruto vehicular	50.000kg
Longitud	1.025cm
Ancho	255cm
Cabina	No
Capacidad del cilindro	12.419cc

Especificaciones técnicas

Número de ejes	5
Configuración de ejes	10x8
Transmisión	Automático
Activos	368

Descripción

MAN TGS 50.500 10x8 BLH WS + RHINO 24.5 M³ HARDOX REAR TIPPER **Date of first registration:** 08-04-2019 **Registration:** 32-BNJ-7
Mileage: 356,535 km **Drive:** 10x8 **Power:** 500 HP **Transmission:** Automatic **Cab:** Day cab **Dutch APK inspection valid until:** 06-2027
Available: 2 identical trucks For sale: an exceptionally heavy-duty and very well-maintained **MAN TGS 50.500 10x8 BLH WS 5-axle tipper truck**, equipped with a robust **RHINO 24.5 m³ rear tipping body manufactured from wear-resistant HARDOX steel**. This truck has been specially built for demanding heavy-duty applications in construction, earthmoving, infrastructure and transport. The combination of the powerful **500 HP engine**, **10x8 drive system**, large wheels and hydraulically suspended and steered rear axles provides excellent traction, stability and manoeuvrability, even under difficult working conditions and on rough terrain. CHASSIS & DRIVETRAIN * MAN TGS 50.500 * Heavy-duty 5-axle chassis * **10x8 drive** * 500 HP * Automatic transmission * Large wheels / heavy-duty off-road configuration * Rear axles with hydraulic suspension * Hydraulically steered rear axle * Excellent traction on difficult terrain * Excellent manoeuvrability for a 5-axle truck * Central lubrication system * DIN mounting plate at the front of the truck * Warning beacons RHINO 24.5 M³ HARDOX REAR TIPPER The truck is equipped with a very strong and robust **RHINO rear tipping body**, specially designed for intensive heavy-duty use. * Capacity approximately **24.5 m³** * Rear tipping body * Body manufactured from wear-resistant **HARDOX steel** * Extremely strong and durable construction * Aluminium cover flaps * Designed for intensive professional use * Suitable for transporting heavy bulk materials * Ideal for soil, sand, rubble, stone and other heavy materials The combination of the heavy-duty **10x8 chassis** and the strong HARDOX tipping body makes this MAN particularly suitable for demanding construction, earthmoving and infrastructure applications. CAB & EQUIPMENT * MAN day cab * Air conditioning * Automatic transmission * Comfortable driver's workplace * Central lubrication system * Warning beacons DIN mounting plate at the front CONDITION This MAN is in **excellent, very clean and completely original condition**. The truck comes directly from the **first owner** and has always been professionally operated and maintained. **Mileage: only 356,535 km** **Dutch APK inspection valid until June 2027.** Both technically and visually, this truck is in exceptionally good original condition and is ready for immediate operation. 2 IDENTICAL TRUCKS AVAILABLE FROM STOCK We currently have **2 identical MAN TGS 50.500 10x8 trucks with RHINO 24.5 m³ HARDOX rear tipping bodies available from stock.** This makes these trucks particularly attractive for companies looking for two identical heavy-duty tippers for large projects, earthmoving operations, infrastructure work, fl

Accesorios
