DAF XF 480 8X4 TREKKER-BAKWAGEN COMBI + PALFINGER PK 85002 E KRAAN + JIB PJ170E KRAAN/KRAN/CRANE/GRUA

General characteristics

Brand	DAF
Model	XF 480
Subcategory	Crane truck
Meter reading	928.978km
Date of first registration	17-01-2007
Hours displayed	9410
Colour	Blue
Condition	Used
General state	Good
Fuel	Diesel
Reference	1790770
CE marking	Yes

Properties

GVW	27.000kg
Max. lifting capacity	25.000kg
Mast type	Telescopic

Technical specifications

Number of axes	4
Axis configuration	8x4
Transmission	Manual transmission
Assets	480

Description

DAF XF 480 8x4 Tractor Unit / Rigid Truck Palfinger PK 85002 E + PJ 170 E JIB – 12x Hydraulic Extensions – Approx. 34 m Working Height We are pleased to offer this **very well-equipped DAF XF 480 8x4**, configured as a **multifunctional tractor unit / rigid truck**, fitted with a heavy-duty **Palfinger PK 85002 E loader crane with Palfinger PJ 170 E JIB**, mounted directly behind the cab. Thanks to the combination of the heavy Palfinger crane, hydraulic JIB, winch, sliding fifth wheel, trailer coupling and ballast body, this truck is extremely versatile and suitable for **heavy lifting, machinery transport, steel construction, installation work, special transport and other demanding crane operations**. TRUCK SPECIFICATIONS **Make / Model:** DAF XF 480 **Configuration:** 8x4 **Execution:** Tractor Unit / Rigid Truck **Date of first registration:** 17-01-2007 **Mileage:** 928,978 km CAB & EQUIPMENT * DAF XF SpaceCab * Air conditioning * Parking heater * Manual gearbox * Spacious SpaceCab cab * Sliding fifth wheel * Trailer coupling * Multifunctional tractor / rigid truck configuration * Ballast body * Complete stainless-steel finish * Various stainless-steel tool and storage boxes PALFINGER LOADER CRANE **Make / Type:** Palfinger PK 85002 E **JIB:** Palfinger PJ 170 E **Crane position:** Mounted behind the cab **Crane operating hours:** 9,410 hours The crane is very comprehensively equipped with: * Palfinger PJ 170 E hydraulic JIB * Main boom + JIB with a total of **12 hydraulic extensions** * Radio remote control * Hydraulic winch * Additional oil cooler for the crane hydraulic system * Additional hydraulic function on the JIB * Complete hydraulic installation CRANE PERFORMANCE **Maximum lifting capacity:** approx. **25,000 kg** **Maximum working height:** approx. **34 metres** **Maximum boom length:** approx. **30 metres** The combination of the heavy-duty **Palfinger PK 85002 E main crane** and the **Palfinger PJ 170 E JIB** provides an excellent working range. With a total of **12 extensions**, this crane configuration is particularly suitable for jobs requiring both substantial horizontal reach and a high maximum working height. MULTIFUNCTIONAL CONFIGURATION One of the major advantages of this DAF is its highly versatile configuration. The vehicle can be used as a **tractor unit** and is equipped with a **sliding fifth wheel** for use with a semi-trailer. The truck is also supplied with a **ballast body**, making it highly suitable for heavy crane operations and special transport applications. A **trailer coupling** is also fitted, further increasing the truck's flexibility. STAINLESS-STEEL EQUIPMENT The truck has been extensively finished with **stainless-steel components and storage/tool boxes**. This provides ample storage space for lifting equipment, chains, tools and other accessories required during daily crane and transport operations. The stainless-steel finish also gives the truck a professional appearance w

Accessories

- Trailer coupling
- Electric windows
- Air Suspension Seats
- Rotating beacon
- Anti-lock braking system
- Low-noise
- Toolbox
- Air horn
- Fog lights
- PTO
- Heavy duty engine brake
- Visor
- Electrically adjustable door mirrors
