

Humbaur TBA 2 ASSER DIEPLAPER AANHANGER

General characteristics

Brand	Humbaur
Subcategory	Lowloader
Date of first registration	26-03-2025
Colour	Gray
Condition	Used
General state	Very good
Reference	1790759

Properties

Single weight	3.290kg
Load capacity	11.110kg
GVW	14.400kg
Length	8.600cm
Width	255cm

Technical specifications

Number of axes	2
----------------	---

Description

Humbaur 2-Axle Centre-Axle Low Loader Trailer with Loading Ramps – New and Unused We are pleased to offer this high-quality **Humbaur 2-axle centre-axle low loader trailer**, presented in **brand-new, unused condition**. This heavy-duty trailer has been specifically designed for the professional transportation of construction equipment, forklifts, telehandlers, aerial work platforms, wheel loaders, mini excavators and other heavy machinery. The trailer features a **fully hot-dip galvanized chassis**, providing excellent corrosion protection, exceptional durability and a long service life. Main Features * Humbaur 2-axle centre-axle low loader trailer * Brand new / unused * Fully hot-dip galvanized chassis * Heavy-duty steel construction * Height-adjustable drawbar * Aluminium side panels * Heavy-duty lashing rings / tie-down points * Rear support legs for safe loading and unloading * Heavy-duty rear loading ramps * Professional specification * Low-maintenance construction ## Technical Specifications Loading Platform * Internal loading length: **630 cm** * Internal loading width: **246 cm** * Loading height: approximately **80 cm** ### Loading Ramps * Ramp length: **320 cm** * Ramp width: **112 cm each** The extra-long loading ramps provide a shallow loading angle, making it easy to load machinery with low ground clearance. Weights * Gross Vehicle Weight (GVW): **14,400 kg** * Unladen weight: **3,290 kg** * Payload capacity: **11,110 kg** Equipment * Aluminium side panels * Height-adjustable drawbar * Fully hot-dip galvanized chassis * Multiple heavy-duty lashing rings * Rear stabilizing support legs * Heavy-duty steel loading ramps * Complete lighting system * Excellent driving stability * Designed for intensive professional use Suitable For Transporting * Excavators * Mini excavators * Wheel loaders * Skid steer loaders * Forklifts * Telehandlers * Aerial work platforms * Road construction equipment * Agricultural machinery * General heavy equipment Why Choose Humbaur? Humbaur is one of Europe's leading manufacturers of professional trailers and is well known for: * Premium German engineering * Outstanding reliability * Long service life * High resale value * Excellent build quality * Low maintenance costs This **new and unused Humbaur centre-axle low loader trailer** combines a high payload capacity with a low loading height and a robust fully galvanized construction, making it the ideal choice for contractors, machinery dealers, rental companies and transport professionals. The trailer is available for inspection by appointment in **Andelst, The Netherlands**. **Delivery terms:** EXW Andelst, The Netherlands. **Price:** Upon request.
