Iveco Trakker 500 10X4 KIPPER/TIPPER./PIET RUIZEVELD 26M3

General characteristics

Brand	Iveco
Model	Trakker 500
Subcategory	Tipper
License plate	20-BNK-9
Meter reading	473.158km
Year of construction	2019
Date of first registration	07-06-2019
Colour	Gray
Condition	Used
General state	Good
Fuel	Diesel
Emission class	Euro 6
Reference	1790768

Properties

Single weight	19.025kg
Load capacity	29.975kg
GVW	49.000kg
Length	1.009cm
Width	255cm
Cabin	No
Cylinder capacity	12.882cc

Technical specifications

Number of axes	5
Axis configuration	10x4
Transmission	Automatic
Assets	368

Description

IVECO TRAKKER 500 EURO 6 10x4 TIPPER Geurts Trucks B.V. is proud to offer this exceptionally well-maintained and highly specified **IVECO Trakker 500 Euro 6 10x4 tipper truck**. Designed for the most demanding applications in construction, earthmoving, mining, quarrying and infrastructure projects, this truck combines outstanding payload capacity with excellent reliability and durability. Powered by the renowned **IVECO Cursor 13 six-cylinder turbo diesel engine** producing **500 HP (368 kW)** and equipped with a **fully automatic transmission**, this vehicle delivers impressive performance, smooth driving characteristics and excellent operating efficiency under all working conditions. General Information * Manufacturer: IVECO * Model: Trakker 500 Euro 6 * Configuration: 10x4 * First Registration: 07 June 2019 * Emission Standard: Euro 6 * Mileage: 473,158 km * Engine: IVECO Cursor 13, 6-cylinder turbo diesel * Power Output: 500 HP (368 kW) * Transmission: Fully automatic * Cab: Day cab * Colour: Original factory finish Chassis and Driveline The heavy-duty chassis has been engineered to withstand the toughest working environments while providing excellent stability and durability. Features include: * 10x4 axle configuration * Air-suspended rear axles * Differential locks * Heavy-duty chassis construction * Excellent off-road performance * High traction under difficult conditions * Outstanding driving stability * Built for intensive daily operation Driver's Cab The comfortable day cab provides an ergonomic and safe working environment for the driver. Equipment includes: * Pressurised cab filtration system (overpressure unit) * Air conditioning * Fully automatic gearbox * Comfortable driver's seat * Adjustable steering wheel * Electric windows * Electrically adjustable and heated mirrors * On-board computer * Multifunction instrument panel * Central locking * Multiple storage compartments * Excellent all-round visibility Tipper Body The truck is fitted with a premium-quality **Piet Ruizeveld rear tipper body**, specifically built for heavy-duty construction work. Specifications: * Manufacturer: Piet Ruizeveld * Rear tipping body * Hardox steel body * Capacity: approximately 26 m^3 * Aluminium top side covers * Extremely wear-resistant construction * Designed for intensive professional use Suitable for transporting: * Sand * Gravel * Soil * Rock * Asphalt * Demolition materials * Construction waste * Recycled materials * Bulk commodities The Hardox body offers exceptional durability, low maintenance costs and a long service life, even under the harshest operating conditions. Weights * Gross Vehicle Weight (GVW): **49,000 kg** * Unladen Weight: **19,025 kg** * Payload Capacity: **29,975 kg** The high payload ensures maximum transport efficiency and excellent productivity. Applications This vehicle is ideally suited for: * Earthmoving * Road construction * Civil engineering * Infrastructure projects * Quarry operations * Mining

Accessories

- Climate control
- Differential Lock
- Electric windows
- Extra steering axle
- Power steering
- Front window
- Rotating beacon
- Anti-lock braking system
- Reversing camera
- Central locking
- Cruise control
- Low-noise
- Toolbox
- Air horn
- PTO
- Speed limiter
- Heavy duty engine brake
- Spotlights
- Visor
- Electrically adjustable door mirrors
