Langfeld LPA 18 TL 6300 2 ASSER UITSCHUIFBAAR ACHTERZIJDE

General characteristics

Brand	Langfeld
Subcategory	Flatbed
Date of first registration	19-07-2017
Colour	Red
Condition	Used
General state	Very good
Reference	1790747

Properties

Single weight	4.360kg
Load capacity	13.640kg
GVW	18.000kg
Length	798cm
Width	255cm
Serial number	W09FLB218HBL24287

Technical specifications

Number of axes	2

Description

OFFER FOR SALE ## Langefeld LPA 18 TL 6300 – 18 Ton Tandem Trailer – Extendable Loading Platform – Full Air Suspension ### General Information **Manufacturer:** Langefeld **Model:** LPA 18 TL 6300 **Date of First Registration:** 19 July 2017 **Axle Configuration:** 2-Axle Tandem Trailer **Gross Vehicle Weight:** 18,000 kg **Axles:** SAF 10 Ton Axles **Suspension:** Full Air Suspension **Braking System:** WABCO EBS with FleetBoard System This high-quality **Langefeld LPA 18 TL 6300** has been designed for demanding professional transport applications and is well known for its robust construction, excellent driving characteristics and outstanding reliability. Equipped with an extendable loading platform, full air suspension, SAF heavy-duty axles and comprehensive load securing equipment, this trailer is perfectly suited for transporting construction equipment, machinery and containers. The trailer is in **excellent, fully original and very well-maintained condition**. ## Dimensions **Loading Platform Length:** 630 cm **Rear Extendable Section:** 155 cm **Maximum Loading Length:** 785 cm **Loading Width:** 254 cm **Overall Width:** 255 cm **Loading Height:** 100 cm **Overall Trailer Length (Retracted):** 798 cm The extendable rear section provides additional loading capacity for transporting longer machinery, steel structures, containers and oversized equipment. ## Equipment This trailer is comprehensively equipped with: * Full air suspension * SAF 10-ton heavy-duty axles * WABCO FleetBoard electronic braking system * Central lubrication system * Extendable loading platform * Twistlocks for container transport * Removable stake posts * Stake pockets * Multiple heavy-duty lashing rings * Adjustable side extensions * Integrated storage compartment for loading ramps * Four stainless steel toolbox compartments * Heavy-duty chassis built for intensive professional use ## Technical Advantages The combination of full air suspension and premium SAF axles provides excellent driving stability, outstanding ride comfort and reduced maintenance costs. The integrated central lubrication system minimizes daily maintenance while extending the service life of critical moving components. With numerous lashing points, removable stakes and container twistlocks, this trailer offers exceptional flexibility for a wide variety of transport applications. ## Ideal for Transporting * Construction machinery * Excavators * Wheel loaders * Telehandlers * Forklifts * Aerial work platforms * Agricultural machinery * Shipping containers * Steel structures * Long materials * Heavy equipment and industrial machinery ## Tyres * Approximately **70% tread remaining** * Ready for immediate operation ## Condition This **Langefeld LPA 18 TL 6300** is in **excellent technical and cosmetic condition** and has been carefully maintained throughout its life. A premium-quality trailer offering exceptional reliability, versatility and durability, making it an ideal choice
