

MAN TGS 26.360 6X4H-4 BL KIPPER +EPSILON Q 170 EASYFOLD KRAAN+KNIJPER

General characteristics

Brand	MAN
Model	TGS
Subcategory	Tipper
License plate	25-BLZ-3
Year of construction	2019
Date of first registration	20-02-2019
Colour	Blue
Condition	Used
General state	Very good
Fuel	Diesel
Emission class	Euro 6
Reference	1790786

Properties

Single weight	15.975kg
Load capacity	12.025kg
GVW	28.000kg
Length	837cm
Width	255cm
Cabin	No
Cylinder capacity	10.518cc

Technical specifications

Number of axes	3
Axis configuration	6x4
Transmission	Automatic
Assets	265

Description

MAN TGS 26.360 6x4H-4 BL ## TIPPER + PALFINGER EPSILON Q170 EASYFOLD + BAKKER CLAMSHELL GRAB Very clean and fully equipped **MAN TGS 26.360 6x4H-4 BL** with tipper body and a **Palfinger Epsilon Q170 EasyFold loading crane** mounted directly behind the cab, complete with **Bakker clamshell grab**. A very versatile and robust truck, perfectly suitable for earthmoving, construction, roadworks, recycling, landscaping, municipal work and the transport and handling of various bulk materials. The truck comes from the **first owner**, is in very clean condition and has covered only **190,068 km**. ### TRUCK SPECIFICATIONS * Make: **MAN** * Model: **TGS 26.360 6x4H-4 BL** * Axle configuration: **6x4H-4** * Registration: **25-BLZ-3** * First registration: **20-02-2019** * Mileage: **190,068 km** * Engine power: **265 kW / 361 HP** * Engine capacity: **10,518 cc** * Fuel: **Diesel** * Emission standard: **Euro 6** * Weight variant: **28,000 kg** * Automatic gearbox * Day cab * Air conditioning * Multimedia / audio system * DIN mounting plate fitted to the front of the truck * Warning beacons mounted on the cab * Stainless steel toolboxes * Dutch registered truck * **First owner** * Valid Dutch APK inspection until **02-2027** ### TIPPER BODY The truck is equipped with a strong and professionally built tipper body suitable for intensive daily use. Equipment includes: * Hydraulic tipping system * Aluminium cover flaps * Rear doors * Hydraulically operated side board * Heavy-duty construction * Practical design for professional use * Suitable for transporting and unloading a wide range of bulk materials The hydraulic side board makes loading and unloading from the side fast and efficient. This makes the truck particularly suitable for transporting materials such as soil, sand, gravel, rubble, construction materials, green waste and recycling materials. PALFINGER EPSILON CRANE Mounted directly behind the cab is a: **PALFINGER EPSILON Q170 EASYFOLD** The Epsilon Q170 is a professional heavy-duty loading crane designed for intensive loading and material-handling applications. The crane is equipped with: * Palfinger Epsilon Q170 * EasyFold system * Crane mounted directly behind the cab * Professional hydraulic system * Bakker clamshell grab * High-mounted operator platform * Compact installation in combination with the tipper body BAKKER CLAMSHELL GRAB The Palfinger Epsilon crane is equipped with a professional Bakker clamshell grab. This makes the truck extremely suitable for self-loading and unloading materials including: * Soil * Sand * Gravel * Rubble * Construction waste * Recycling material * Green waste * Various other bulk materials The combination of the crane, clamshell grab and tipper body makes this a highly versatile vehicle that can load, transport and unload independently. CAB & COMFORT The MAN day cab provides a comfortable and practical working environment. Equipped with: * Air conditioning * A
