

Mercedes-Benz Actros 4165 V8 8X4 SLT TITAN HEAVY DUTY TRACTOR / SCHWERLAST SATTELZUGMASCHINE 250 TON

General characteristics

Brand	Mercedes-Benz
Model	Actros 4165 V8
Subcategory	Cab over engine
Meter reading	337.622km
Date of first registration	07-07-2014
Colour	Red
Condition	Used
General state	Good
Fuel	Diesel
Emission class	Euro 5
Reference	1790616

Properties

Single weight	13.689kg
GVW	250.000kg
Cabin	Sleeping cabin
Serial number	WDB9341611L806788
Cylinder capacity	15.928cc

Technical specifications

Transmission	CVT automatic transmission
Assets	650hp

Description

MERCEDES-BENZ ACTROS 4165 V8 8X4 SLT TITANHEAVY DUTY TRACTOR UNIT – PUSH & PULL 250 TONNES Extremely heavy-duty **Mercedes-Benz Actros 4165 V8 8x4 SLT TITAN** heavy haulage tractor unit, specially developed for transporting exceptionally heavy loads. Equipped with the powerful **Mercedes-Benz V8 engine producing 650 HP**, VIAB Turbo Retarder Clutch, extra heavy-duty cooling package, trailer hydraulics and extensive additional oil and air connections for heavy haulage applications. **Push & Pull capacity up to 250,000 kg.** An ideal tractor unit for heavy haulage, low loaders, modular trailers and exceptional transport applications including transformers, industrial equipment, cranes and heavy machinery. GENERAL **Make:** Mercedes-Benz **Model:** Actros 4165 SLT TITAN **Configuration:** 8x4 **Version:** Heavy Duty / Heavy Haulage Tractor Unit **Engine:** Mercedes-Benz V8 **Power:** 650 HP **Emission standard:** Euro 5 **Export:** Can be converted to Euro 3 specification for export **Wheelbase:** 390 cm **Suspension:** Leaf suspension **Transmission:** Automatic HEAVY HAULAGE SPECIFICATION This Mercedes-Benz is built as a genuine SLT/TITAN heavy haulage tractor unit and is equipped with, among other features: * **Push & Pull capacity up to 250,000 kg** * Heavy-duty **8x4 drivetrain** * Differential locks / Diff Locks * **VIAB Turbo Retarder Clutch** * Torque Converter / Turbo Clutch * Heavy-duty retarder * Extra-large cooling package for the VIAB Turbo Retarder Clutch * Heavy-duty front bumper for **Push & Pull operations** * Hydraulic system for trailer * Additional oil connections at the front and rear * Additional air connections at the front and rear * Suitable for use with heavy low loaders and modular trailers COUPLING / TRAILER EQUIPMENT Equipped with: **Sliding fifth wheel / adjustable fifth wheel** * **Heavy-duty trailer coupling** * **Trailer hydraulics** * **Additional hydraulic connections** * **Additional air connections at the front and rear** This makes the tractor unit highly suitable for a wide variety of heavy haulage configurations. VIAB TURBO RETARDER CLUTCH The tractor unit is equipped with the heavy-duty **VIAB Turbo Retarder Clutch**, specially developed for applications where extremely high gross combination weights need to be moved from a standstill in a controlled manner. Combined with the extra heavy-duty cooling package, this configuration is particularly suitable for prolonged heavy haulage operations, low-speed driving and manoeuvring with exceptionally heavy loads. FUEL TANK An extra-large fuel tank is mounted behind the cab with an approximate capacity of: **900 LITRES** Ideal for long-distance international transport and heavy haulage operations where extended operating range is required. STORAGE The tractor unit is equipped with **multiple large toolboxes**, providing ample storage space for: Tools, chains, securing equipment, coupling equipment and other heavy haulage accessories. CAB – FULL OPTI
