

Renault T440 6X2 OPRIJWAGEN/MACHINERYTRANSPORTER/MACHINETAXI

General characteristics

Brand	Renault
Model	T440
Subcategory	Loading ramp
License plate	92-BLL-9
Meter reading	74.480km
Year of construction	2018
Date of first registration	05-11-2018
Colour	Black
Condition	Used
General state	Very good
Fuel	Diesel
Emission class	Euro 6
Reference	1790780

Properties

Single weight	10.645kg
Load capacity	16.355kg
GVW	27.000kg
Length	1.030cm
Width	255cm
Cabin	Sleeping cabin
Cylinder capacity	10.837cc

Technical specifications

Number of axes	3
Axis configuration	6x2
Transmission	Automatic
Assets	323

Description

RENAULT T 430 6X2 – MACHINERY TRANSPORTER / RIGID LOW LOADER VERHAEGH SPECIALS BODY – RAMSEY WINCH – ONLY 74,480 KM – ONE OWNER Very clean and exceptionally well-equipped **Renault T 430 6x2 machinery transporter / rigid low loader**, fitted with an extremely strong and robust **Verhaegh Specials machinery transport body**. This truck comes directly from the **first owner**, has covered only **74,480 original kilometres**, and is in **excellent condition**. Thanks to its fully air-suspended 6x2 chassis, liftable and steering rear axle, long and relatively low loading platform, integrated aluminium loading ramps and powerful Ramsey winch, this truck is ideally suited for professional transport of construction machinery, access platforms, telehandlers, forklifts, wheel loaders, cranes and other heavy equipment. CHASSIS & DRIVETRAIN ***Make:** Renault ***Model:** T 430 * **Axle configuration:** 6x2 * **Engine power:** 430 HP * **Transmission:** Automatic * **Mileage:** only 74,480 original km * **Weight version:** 27,000 kg * **Full air suspension** * Rear axle **liftable and steering** * Wheelbase 1st to 2nd axle: 460 cm * **Alcoa aluminium wheels** * Tyres approximately 70% * First owner * Exceptionally low mileage * Excellent technical and cosmetic condition VERHAEGH SPECIALS MACHINERY TRANSPORT BODY The Renault is equipped with a professionally manufactured **Verhaegh Specials machinery transport body**. The loading body has been designed as an **extremely strong and robust construction**, making it ideal for intensive professional machinery transport. LOADING PLATFORM DIMENSIONS ***Loading platform length:** 775 cm ***Loading platform width:** 255 cm ***Loading floor height:** approx. 108 cm The combination of the 7.75-metre loading platform** and relatively low loading height makes loading and unloading machinery easy and practical. TRACON ALUMINIUM LOADING RAMPS Equipped with heavy-duty aluminium loading ramps: * **Make:** Tracon * **Type:** VR-VH * Heavy-duty aluminium construction * Loading ramps neatly **integrated into the rear of the body** * Protected and space-saving storage * Quick and easy to use * Designed for professional daily operation RAMSEY WINCH A powerful professional winch is integrated into the front section of the loading body: * **Make:** Ramsey * **Type:** RE 12,000X * Professionally integrated into the body * Ideal for pulling non-running machines and equipment onto the platform * Strong and protected installation BODY EQUIPMENT The Verhaegh Specials body is equipped with, among other things: * Multiple heavy-duty **lashing and securing points** * Extremely strong machinery transport construction * Integrated aluminium loading ramps * Toolboxes * LED lighting * Professional heavy-duty finish * Practical layout for intensive daily use TRAILER EQUIPMENT The rear of the truck is fully prepared for trailer operation and equipped with: * **Heavy-duty drawbar coupling** * Air connect

Accessories

- Trailer coupling
- Airbags
- ASR (Anti-Slip Regulation/Traction Control)
- Automatic
- Cabin
- Central doorlocking
- Climate control
- DAB Radio
- Differential Lock
- Electric windows
- ESP
- Extra steering axle
- Air Suspension Seats
- Passenger seat
- Power steering
- Spotlight rear
- Spotlight front
- Front window
- Rotating beacon
- Media System
- Anti-lock braking system
- Aluminium fuel tank
- Central locking
- Central lubrication
- Cruise control
- Electrically operated windows
- Low-noise
- Toolbox
- Alloy wheels
- Air horn
- Air suspension
- Fog lights
- Navigation system
- Sleeper cab
- Speed limiter
- Coupling
- Heavy duty engine brake
- Spotlights
- Visor
- Electrically adjustable door mirrors
