Stas S300CX S300CX

General characteristics

Brand	Stas
Subcategory	Tipper
License plate	OV-45-SP
Year of construction	2025
Date of first registration	28-04-2025
Condition	Used
General state	Very good
Reference	1790836

Properties

Single weight	9.340kg
Load capacity	32.660kg
GVW	42.000kg
Length	1.313cm
Width	255cm

Technical specifications

Number of axes	3

Description

STAS 300 CX TIPPING SEMI-TRAILER – 68 M³ – 2 LIFT AXLES – ALCOA – AS NEW CONDITION 68 M³ LOADING CAPACITY – BLACK ALCOA ALUMINIUM WHEELS – WABCO SMARTBOARD – TYRE PRESSURE MONITORING SYSTEM – FIRST OWNER Geurts Trucks is pleased to offer this exceptionally well-equipped STAS 300 CX tipping semi-trailer with an impressive loading volume of 68 m³. Originally delivered in the Netherlands, this semi-trailer comes from its first owner and has covered only 35,800 km. The trailer is in as-new condition and features an extensive range of premium equipment and accessories. GENERAL VEHICLE SPECIFICATIONS Manufacturer: STAS Model: 300 CX Type: Tipping semi-trailer First registration: 14-04-2025 Mileage: Only 35,800 km Loading volume: 68 m³ Number of axles: 3 Full air suspension 2 lift axles Black-painted ALCOA aluminium alloy wheels Tyre pressure monitoring system (TPMS) WABCO SmartBoard system Original Dutch semi-trailer From first owner Excellent as-new condition 68 M³ TIPPING BODY Large loading volume of 68 m³ High-quality STAS tipping body Hydraulic tipping system Double-opening rear doors Front access platform Tarpaulin cover Stainless steel toolboxes Suitable for transporting high-volume bulk materials Designed for professional transport operations Thanks to its impressive loading volume of 68 m³, this STAS tipping semi-trailer is particularly suitable for the efficient transportation of lightweight, high-volume bulk materials. The double-opening rear doors provide additional flexibility during unloading operations, while the front access platform offers convenient access to the tarpaulin covering system. CHASSIS, AXLES AND WHEELS Three-axle chassis configuration Full air suspension Two lift axles Exclusive black-painted ALCOA aluminium alloy wheels Tyre pressure monitoring system WABCO SmartBoard system Premium exterior appearance The two lift axles allow reduced rolling resistance, fuel consumption and tyre wear during empty or partially loaded journeys, subject to permitted axle loads. The black-painted ALCOA aluminium wheels give this semi-trailer a particularly exclusive, modern and professional appearance. WABCO SMARTBOARD SYSTEM The semi-trailer is equipped with the intelligent WABCO SmartBoard system, providing access to various vehicle information and monitoring functions, depending on the installed configuration. Vehicle information display Axle load information Mileage registration System monitoring Diagnostic information User-friendly operation The additional tyre pressure monitoring system contributes to improved road safety, optimum tyre pressure and reduced unnecessary tyre wear. ADDITIONAL EQUIPMENT AND ACCESSORIES Stainless steel toolboxes Tarpaulin cover Front access platform Double-opening rear doors Black-painted ALCOA aluminium wheels Two lift axles WABCO SmartBoard system Tyre pressure monitoring system Full air suspension IDEAL FOR THE FOLLOWING APPLICATIONS Recycling
