Volvo FH 420 6X2 MET HIAB 477-EP 5 HIPRO KRAAN/KRAN/CRANE/GRUA

General characteristics

Brand	Volvo
Model	FH 420
Subcategory	Crane truck
License plate	BV-XX-01
Meter reading	640.783km
Year of construction	2009
Date of first registration	28-04-2009
Colour	Orange
Condition	Used
General state	Very good
Fuel	Diesel
Emission class	Euro 5
Reference	1790752
CE marking	Yes

Properties

Single weight	17.060kg
Load capacity	10.940kg
GVW	28.000kg
Max. lifting capacity	12.000kg
Mast type	Telescopic

Technical specifications

Number of axes	3
Axis configuration	6x2
Transmission	Automatic
Assets	324

Description

olvo FH 420 6x2 Tractor Unit with HIAB 477 EP-5 HiPro Loader Crane We are pleased to offer the following high-quality Volvo crane truck, professionally maintained and presented in excellent original condition. This vehicle is ideally suited for heavy lifting, machinery transport, construction, industrial projects and general logistics where flexibility and lifting capacity are essential. Vehicle Specifications Make: Volvo Model: FH 420 Configuration: 6x2 Tractor Unit Engine Power: 420 HP Transmission: Volvo I-Shift Automatic Transmission Wheelbase: 370 cm Mileage: 640,783 km Origin: Original Dutch Vehicle Condition: Excellent, fully original condition This Volvo FH has been carefully maintained and is technically and cosmetely in very good condition. The truck is ready for immediate operation without additional investment. Crane Specifications Manufacturer: HIAB Type: HIAB 477 EP-5 HiPro Equipment includes: HIAB HiPro heavy-duty crane 5 hydraulic extensions Radio remote control Maximum lifting capacity: 12,000 kg Maximum working height: 18.5 metres Hydraulic stabilizer system Extra hydraulic oil cooler for intensive crane operation Smooth and precise proportional controls Suitable for demanding daily professional use The HIAB HiPro series is internationally known for its reliability, precision and high lifting performance. Truck Equipment Comfortable Volvo sleeper cab Volvo I-Shift automatic gearbox Air conditioning Adjustable driver's seat Power steering Cruise control Electric windows Electrically adjustable mirrors Sliding fifth wheel Trailer coupling PTO for crane hydraulics Heavy-duty chassis Excellent visibility Professional working lights Original Dutch registration Well maintained throughout its lifetime Applications This vehicle is perfectly suitable for: Machinery transport Construction industry Steel transport Container handling Industrial installations Equipment relocation Heavy lifting operations Infrastructure projects General transport with self-loading capability Overall Condition The truck is in exceptionally clean and original condition. Original Dutch vehicle Technically very well maintained Crane operates perfectly Excellent driving characteristics Clean chassis Ready for immediate work No additional investments required Why Choose This Volvo? Reliable Volvo FH platform Professional HIAB HiPro crane 12-ton lifting capacity 18.5 m working height Remote-controlled crane Heavy-duty hydraulic system with additional oil cooling Comfortable sleeper cab Automatic transmission Sliding fifth wheel Trailer coupling Immediate availability Excellent investment for professional transport companies This Volvo FH 420 with HIAB 477 EP-5 HiPro represents an outstanding combination of reliability, lifting performance and operational efficiency. It is an ideal solution for companies looking for a versatile self-loading tractor unit capable of performing demanding transport and lifting operations. We will be pleased to provide add

Accessories

- Trailer coupling
