Description

Volvo NH12 420 6x4T Torpedo Tractor Unit – Collector's Item **Year of manufacture:** 2001 **Engine power:** 420 HP **Drive configuration:** 6x4
Mileage: Only 582,000 original kilometres** **Transmission:** Manual gearbox **Origin:** Directly from the first owner in Belgium Exclusive classic truck for the true enthusiast We are proud to offer this exceptionally original **Volvo NH12 420 6x4 Torpedo tractor unit**. The Volvo NH series has become one of the most highly regarded classic heavy trucks in Europe. Vehicles in this authentic and well-preserved condition have become extremely difficult to find. This truck is in very good technical and visual condition and has remained remarkably original. With only 582,000 original kilometres**, combined with its first-owner history and Belgian origin, this truck clearly stands out from most other Volvo NH models currently available. For collectors, Volvo enthusiasts and transport companies looking to add an iconic truck to their collection, this is a truly unique opportunity. Equipment and features * Volvo NH12 420 Torpedo tractor unit * 6x4 drive configuration * Original Volvo 12-litre six-cylinder diesel engine * Engine power: 420 HP * Manual gearbox * Leaf-sprung suspension * Hub-reduction rear axles * Tipping hydraulics * Torpedo sleeper cab * Original leather upholstery * Very clean and original cab * Original chassis condition * Directly from the first owner * Belgian vehicle * Only 582,000 original kilometres Technical specifications * Engine: Volvo D12A six-cylinder turbo diesel * Engine capacity: approximately 12,130 cc * Engine power: 420 HP * Drive configuration: 6x4 * Rear axles: Hub reduction * Transmission: Manual * Suspension: Leaf springs * Hydraulic system: Tipping hydraulics * Fuel type: Diesel Condition This Volvo is presented in an exceptionally clean and original condition. * Very clean exterior * Original interior * Original leather seats * Not heavily modified or rebuilt * Technically well maintained * Chassis and cab in very good condition * Suitable for immediate use or for a private collection This is one of the few remaining Volvo NH Torpedo tractor units that has been preserved in such a complete and original specification. Genuine collector's item The Volvo NH Torpedo is considered one of the most iconic European trucks ever built. Only limited numbers were produced, and many examples have since disappeared, been exported, modified or used in demanding heavy-duty applications. As a result, original and well-preserved examples are becoming increasingly rare. A Volvo NH12 in this condition is not only an impressive piece of Volvo trucking history, but also a highly desirable collector's vehicle with strong future appeal. Why this Volvo NH12? * Extremely rare model * Original Torpedo specification * Only 582,000 original kilometres * Directly from the first owner * Belgian vehicle * Manual gearbox * Hub-reduction axles * Leaf-sprung chassis * Tipping
